ADDITIONAL REGULATIONS FOR 2019

1. We only have a limited amount of regular fighters whom cannot be at every event. It is also costly to attend all the events. However fighters must attend the major events in order to be selected for participation at the SA Championships.
2. The Calendar events / activities are sanctioned SAKA events. Only SAKA registered clubs may participate at the events. Should another MASA registered organization / club want to participate at our events, special authority must be obtained from the SAKA President. The reason for this is that these organizations / clubs do not follow SAKA medical procedures and do not pay registration fees.
3. Only SAKA sanctioned kit may be used. Acceptable manufacturers / brands include the following;
 - o Kickboxer
 - o Top Ten
 - o Adidas (Some articles are not acceptable)

 - o Fairtex
 - o Kixx (a new brand) and

The two new brands have been tested.
